Firefly Belly Dance

Tracey and Firefly Belly Dance offer high quality professional entertainment services for corporate events, functions, gala dinners, festivals, sporting fixtures and birthday, engagement or theme parties in Christchurch and around New Zealand.

Bookings can be made for solo dancers, duets and small groups through to the full troupe of up to 15 talented and enthusiastic belly dancers who will be happy to provide an engaging and dramatic performance which can include props such as veils, swords, zills (finger cymbals) fan veils, isis wings (LED options available) and large skirt dances.

Our experienced dancers have entertained everywhere from large scale stage shows and arenas through to intimate restaurant settings so you can be sure they will be a highlight and talking point of your event! We can include audience interaction and participation in our performance packages to really add some extra spark to your event.

We pride ourselves on being reliable and adaptable so we are happy to work with your requirements before and during the event to ensure a successful performance. As we specialize in modern fusion styles of belly dance we are able to perform to western music as well as traditional belly dance music. The troupe will also be able to theme their costumes to your event where applicable.

Prices for our entertainment packages start at \$125 for one dancer for a 15 minute set with additional dancers available at reduced rates. Longer sets and multiple performances with costume changes are also available to suit your event. Troupe and speciality booking prices on application, contact us today to add our unique and dramatic performers to your event!

Please contact us directly for charity/fundraiser event performances.
